

## Support Boys Club Volleyball in San Antonio

Thank you for your interest in helping grow and support boys volleyball in the state of Texas. With more boys, families, and supporters like yourself, we truly believe this can grow into another mainstream sport in this state that can serve as an outlet for boys of all backgrounds and provide an opportunity for a collegiate education.

Scholarship Level support will afford a player & family the opportunity to compete who, otherwise would have missed out on their dream this season. Your contribution will be matched with a family who has demonstrated the need and potential to excel.

Paradox Volleyball LLC is a for profit company established in 2023 to help expand boys volleyball in San Antonio.

**Our mission has three major objectives:**

1. Offer a higher club volleyball experience that can deeply invest into each player and team. Striving to add value to their volleyball skills, resume, and IQ on top of a remarkable foundation of fundamentals.
2. Develop the person around the volleyball player. The ultimate goal being to equip our players with skills that can translate to school or work and also prepare them for the next stages of their careers.
3. To be a catalyst for the youth of San Antonio to learn, witness, and experience boys volleyball in their own city.
